DR. NEERAJ GOYAL

MBBS, M.S.(General Surgery), FIAGE, FAIS
Principal, Consultant, General Laparoscopic and Laser Surgeon
Max Superspeciality Hospital, Patparganj, New Delhi.

Prof. Dr Neeraj Goyal, the Principal Consultant Surgeon with Max Super speciality Hospital, Patparganj, New Delhi, has performed more than 27,000 major surgeries & 5,000 plus Laser Proctology surgeries in last 21 years.

He has **trained more than 1000 Surgeons** across India, and has been instrumental in live surgery workshops. Prof. Dr. Neeraj Goyal is considered a pioneer in India in the use of fully resorbable (P4HB) mesh for Hernia, and is known to be highly meticulous and precise with surgical procedures.

In his opinion, the **Diode Laser technology for Hemorrhoids (Piles) Fistula-in-Ano, Anal Fissure and Pilonidal Sinus is a revolution in the field of surgery and a boon for the patients.**

His association as a **member of many professional medical & surgical organizations** like IMA, ASI, AMASI, IAGES, SELSI, India Hernia Society and as Surgery Head in Dental college has made him a deft in his profession.

Dr. Goyal holds MBBS from LLRM Medical College, Meerut and Masters in Surgery (MS) from Gandhi Medical College Bhopal and Fellowship in Laparoscopy (FIAGES in 2010 and FAIS in 2020) along with various other certificates in Laparoscopy from AIIMS & Ethicon Institute of Surgical Education. Dr. Goyal has earlier worked with Yashoda Hospital, Kaushambi, Ghaziabad followed by Metro Multispeciality Hospital, Noida and Max Hospital, Noida.

He believes in giving back to the society after having earned all the appreciation. His patients appreciate him for giving them a family feeling and have a better reason to be referred by them as a doctor with humane touch.

His versatility includes but is not limited to being **an effective team leader, trainer, motivator & a speaker with strong communication skills on various platforms.** Besides his profession, he is fond of Music is a fitness freak and regularly plays cricket, volleyball, badminton, chess & carrom. It is less to say that as a busy doctor he has been able to pursue his passion and made his team **proud by winning many matches and coveting many trophies under his captainship.**

Dr. Wijahat Kareem

MBBS, M.S, F.I.C.S, F.I.C, M.C.H

Consultant Surgeon

Director Star Hospital Pvt. Ltd, Bank Road, Gorakhpur, U.P

Dr. Wijahat Kareem, was born in Agra in the year 1955 in a family of businessmen. He the eldest in a family of six, was a bright student and brought glory to his alma mater where he secured a record number of marks in his class 12 examination.

He was selected in BRD Medical College, Gorakhpur in the year 1973 and completed his MBBS and MS in general surgery from the same institution. Upon qualifying in 1982 Dr.Kareem joined as a surgeon in the hospital at Fertilizer Corporation of India, Gorakhpur. He made a startling turnaround in that hospital and increased the number of surgeries being performed there, from about 10 per month to about 100 every month.

Soon he joined the PMS services in 1989 and was trained in laparoscopic Tubectomy under the government program and the dynamic guidance of Late Dr.Mrs.Pushpa Banerjee, he conducted more than 300 laparoscopic camps in a year and performed more than 300 lap tubectomies and brought lot of glory to the district hospital, Gorakhpur. Dr.Kareem entered into private practice in the year 1985 and was associated into various nursing homes in the city.

In 1984, he married Dr.Surhita Kareem, a gynecologist and in 1988 they submitted the project of a multi speciality hospital to PICUP, which was sanctioned and they started the Star Hospital Pvt.Ltd, the first multi speciality private hospital in Gorakhpur in 1989. Star Hospital is a 106 bedded multi speciality hospital in Bank Road, whose motto is- "where the pursuit of progress is endless".

Apart from being a doctor, Dr.Wijahat Kareem is also an avid sports enthusiast and started the "Poorvanchal Khel Sanstha" in 1992, where free sports coaching was provided to young children in 11 different kinds of sports during holidays.

In 1992, Dr.Kareem and his wife went to Germany to learn the new techniques of advanced laparoscopic surgeries and he pioneered the use of laparoscopy in surgeries like Gall Bladder, hernia and appendix. He can well be called the pioneer of laparoscopy in Eastern U.P.

The year, 2000, was a big milestone in Dr.Kareem's life. In that year, he stepped into Bollywood and started his parallel journey as a film producer.

Being a very good singer and actor himself, a trait which made him very popular in the medical College, his transition as a film producer was smooth. His first hindi film was "Soch" starring Raveena Tandon, Arbaaz Khan, Danny Denzayonpa, Sanjay Kapoor and Aditi Govarikar. It was released all over India in 2002. His next hindi film was "Do Dilon Ke Ke Khel Mei" starring Rajesh Khanna, Annu Kapoor, Satish Kaushik, Rohit Nayar and Nausheen Ali Sardar. His next film was a bhojpuri film "Kehu Humse Jeet Na Pai" starring Ravi Kishan, Rinku Ghosh and many other hero and heroines of Bhojpuri film industry. His journey in the hindi film industry is continuing as his son Faizan takes over. Faizan is a film director and editor in Mumbai and his first film "Morjim" is ready to be released soon.

As a part of his efforts to promote cultural activities, he has been hosting All-India Annual Mushaira and Kavi Samelan every year in the month of November, for the last six years, under the banner of Star Charitable Trust, an event which is looked forward to by many literary lovers.

He was also very active in establishing the Gorakhpur City Chapter of Surgeons of India along with Professor P.K. Basu. He has been the President of the Raghavans Association. He has been an active Rotarian for last 2 decades and has taken part in various social welfare activities of the club.

Dr. Wijahat Kareem has always taken a keen interest in social activities.
